

# STEAM Team Presents:

"Vaccine Misinformation and the rise in anti-science sentiment"

Wed, Sept 28th at 7:15 pm

## Michael D. Miller, MD

Dr. Miller is a health care and life sciences communications and policy expert who has more than 30 years of experience working to improve health care access, affordability and innovations, with the goal of advancing clinical and economic outcomes.

**Join the  
Zoom call  
on Sept  
28th  
at 7:15 pm**

This event will be led by Dr. Michael Miller, who was the first AAAS Executive Branch Fellow (1988-89 at OMB).

The session will cover:

- The situation with COVID vaccinations
- Why are people hesitant/resistant to vaccines
- Sources of misinformation and disinformation
- How is this infodemic spreading and resulting in lower vaccination rates for all vaccination
